*This project is made possible through funds from
the Minnesota Department of Human Services-
Disability Services Division.*

This training will introduce you to the step-by-step process of Discovering Personal Genius™, and highlight the ways a person can find employment based on their skills and interest.

Training Topics Include:

- Review of Customized Employment
- Steps & Stages of Discovering Personal Genius
- Developing The 3 Vocational Themes
- Linking Discovery and Job Development

Skills learned in this training can be used at work and home. The training includes useful materials, teaching strategies, and hands on practice.
